

Product Description

Bold design meets warm ambiance. This modern outdoor wall lantern features a sleek black metal frame with a geometric silhouette that adds architectural interest to any exterior. Frosted glass panels soften the light, creating a welcoming glow that enhances curb appeal while improving nighttime visibility. Whether flanking a front door, garage, or patio, this fixture delivers both style and function in a compact, weather-resistant design. Bulb is not included.

Features:

- **Weather Resistant:** Durable metal and glass construction withstands rain, snow, and sun.
- **Anti-Rust Design:** Rust-resistant black metal frame ensures long-lasting outdoor use.
- **Standard E26 Socket:** Compatible with LED, incandescent, and CFL enclosed-rated bulbs.
- **Easy Installation:** Includes all mounting hardware and clear instructions for quick setup.
