

Product Description

The LED Wall Sconce provides long-lasting illumination with a decorative touch to corridors in hotels, motels and commercial property applications. It offers long life, high lumen maintenance, and dimmable operation for residential and commercial applications that exceed those of a traditional bulb.

Features

- **Sleek 14-inch Design:** Perfect for compact vanity areas
- **Integrated LED Technology:** No bulb replacements required
- **CCT Selectable:** Choose from 2700K, 3000K, 3500K, 4000K or 5000K for the ideal ambiance
- **High CRI (≥90):** Delivers true-to-life color rendering
- **Dimmable:** Compatible with standard Triac dimmers
- **Durable Construction:** Steel body with powder-coated finish
- **Damp Location Rated:** Safe for bathroom environments
- **Energy Efficient:** Replaces 75W incandescent with approx. 16W
- **Long Life:** 50,000-hour rated lifespan

Applications

- Residential
- Hotel/Motel
- Property Management
