

DIRECTFIT U-BEND T8

UL TYPE-A

MaxLite DirectFit LED T8 U-bend lamp is the ideal plug and play solution that works straight out of the box. Designed to deliver over 1800 lumens, these energy-saving LED lamps are quick, easy and safe to install into existing linear fluorescent fixtures without any extra effort or re-wiring.

MaxLite DirectFit LED T8 U-bend lamps utilize the existing T8 instant-start electronic ballasts, thus minimizing maintenance and labor costs.

Features:

- Instant on
- Polycarbonate lens with 320° beam angle
- 50,000 hours of lumen maintenance (L70)
- Eliminates the need for rewiring
- Suitable for use in damp locations
- Suitable for use in totally enclosed recessed fixture
- 5-year warranty

See The End Difference

The DirectFit U-Bend Lamp diffuses light continuously from end to end, with no dark spots. Unlike competitive products, the MaxLite U-Bend is engineered to replicate the smooth, even light of a fluorescent tube.
