LED Flat Panels - Wattage and CCT Selectable

MaxLite's new LED Flat Panels save shelf space and meet the varied lighting preferences of commercial, health care and educational environments. With three discrete lumen outputs and color temperatures available in each model, three SKUs now replace 27!

- 1x4, 2x2, 2x4 sizes
- CCT Selectable (3500K, 4000K, 5000K)
- Wattage Selectable (from 18W up to 45W, 2,000-5,000 lm)
- Motion sensor available
